Paget Primary School Re-Opening Code of Conduct for Parents

As we re-open school for more and more pupils we have had to refine many of our school policies and procedures, including our approach to parents and visitors in school.

To keep staff, your children and indeed yourselves safe we ask that you adhere to the following:

- Only one parent to drop off and pick up children at the start and end of the school day
- Year One and Year Six pupils come in to the playgrounds alone
- Do not congregate at school gates in groups
- Nursery parents stop at the bottom of the ramp
- When waiting with and for your children at the end of the day ensure you are 2 metres away from the next person
- Pick up and drop off your child at their allocated time slot. Lateness in a morning will mean that your child will not be admitted in to school that day. Repeated lateness at the end of the day will mean your child’s place in school will be temporarily suspended.
- Only come on to school site if you absolutely have to
- If you need to speak to an adult then either call the main school office, school mobile or email enquiry@paget.bham.sch.uk or email your child’s class teacher
- If your child is displaying symptoms of coronavirus do not send them to school but do contact school and let us know
- If your child or anyone in your household is tested positive for Covid 19 then let the school know immediately
- If we call you to collect your child as they are displaying symptoms of Coronavirus then please do so swiftly
- If you change your telephone number then let school know your new number in case of emergencies
- If you need to go in to the school office then please only one person in there at a time and ensure you are 2 metres away from the hatch.
- Do not send your child into school with anything else other than their own water bottle and packed lunch where applicable.
- Ensure children come to school each day in clean clothes (i.e. not the same as worn the day before). Ideally children should wear uniform however where this is not possible normal clothes may be worn.
- Should your child not behave in school in a safe way, despite being spoken to several times and discussions being held with parents, they will lose their place until they can act in a safe manner in school.
- In hot weather ensure sun cream is applied before coming to school. Staff will not administer this currently. If you wish your child to have a sun hat then this can come in to school but will need to remain in school each day and not be taken home until we break up. Please ensure any sun hats have your child’s name in.
