### Weekly Maths Tasks (Aim to do 1 per day)
- CGP- Reasoning book- Measurement
  - Page 35 & 36- Days and Months
  - Page 37, 38 & 39- Time
  - Page 40 & 41- 2D Shape
  - Page 42 & 43- 3D Shape
  - Page 44- Position and Direction

### Weekly Reading Tasks (Aim to do 1 per day)
- This term we would have been sharing the Roald Dahl Book “George’s Marvellous Medicine”
  - NO CHEATING... DON’T READ THE BOOK JUST YET....
  - Draw a picture of George using the book cover. Label it to tell me all about him (we will add to this in the coming weeks)
  - Make a prediction and infer about what sort of character he is and write a sentence to explain your thinking
  - Predict what he has put in the medicine (make a list and use a comma to separate the items).
  - Over the next few weeks we will be reading this book so if you have a copy get it ready—we will give an electronic copy as well.

### Weekly Phonics/Spelling Tasks (Aim to do 1 per day)
- Look at all these synonyms that mean a child... practise spelling them and writing sentences with them in.
  - child  
    - noun
  - young one, little one, boy, girl, schoolboy, teenager, youth, young person
  - junior, whippersnapper
  - Can you find any more?
  - Continue to practise your phonic sounds (Do you know all 44?)
  - Don’t forget to check out the RWI lessons on line

### Weekly Writing Tasks (Aim to do 1 per day)
- Look at the picture provided below-
  - Write 5 questions about the picture.
  - Would you like to visit this place? Yes or no and explain why (try to use a range of conjunctions to explain).
  - Make a prediction about where you think this could be.
  - This the perfect place to go on holiday. Agree or Disagree with this statement and explain your answer.
  - Make a persuasive poster advertising the beach-
    - Think about:
      - The activities you could do at the beach
      - How amazing the weather is
      - When you could go to the beach
      - Where it is
      - Use bright colours to make it eye-catching
Wider Learning project – to be done throughout the week

- Recap the different **continents and oceans**. If you want to watch the YouTube videos about the continents and oceans here are the links. They are also written below if you don’t have access to the internet. Practice and ask someone at home to test you on them.
  - **Continents**: [https://www.youtube.com/watch?v=K6DSMZ8b3LE](https://www.youtube.com/watch?v=K6DSMZ8b3LE)
  - **Oceans**: [https://www.youtube.com/watch?v=X6BE4VcYngQ](https://www.youtube.com/watch?v=X6BE4VcYngQ)

- Can you label the 7 continents on a map? See resource attached if you are unable to print the map off try drawing it out.
- Can you label the 5 oceans on a map? See resource attached if you are unable to print the map off try drawing it out.
- Keep a weather diary for a week. Record the lowest temperature and the highest temperature for the day and record whether it was cloudy, sunny, rainy.
- Compare your weather diary with the weather somewhere else in the world. You can find this out by searching online. If you do not have access to the internet, we have attached the weather in China for a week for you to compare it with. You compare the difference in temperature and discuss whether the location you have chosen is sunny, rainy, windy, etc.
