Happy Half-term!

It might not feel like a normal half-term but we still hope you get to enjoy yourselves with your families at home. Have a go at some of these activities and don’t forget to post your pictures to Twitter so we can see how you’re doing at home.

Stay safe! Take Care!

- Go on a bike ride (don’t forget to social distance!)
- Build a den
- Bake a muffin
- Create your own board game and play it with the family.
- Complete a scavenger hunt (inside or outside) and find something of every colour of the rainbow or every letter of the alphabet.
- We are all dreaming about going on holiday at the moment! What would your perfect holiday be like?
- Design a page for a holiday brochure.
- Gardening. Plant some seeds (recall what seeds need to germinate and what plants need to grow).
- Write a letter to a family member that you have not seen in a long time.
- Plan your perfect picnic—write a menu. Who would you invite?
