Year 6
Moving on

Please can you help your child fill out this form before coming back to school. Print or write notes down on a piece of paper (no notebooks allowed) ready to put in their tray on the first day back – Monday 13th July. If you are not coming back to school, Miss Robinson and Miss Briarwood would love to see what you have done by emailing us below with your work.

Miss T Briarwood: t.briarwood@paget.bham.sch.uk
Miss H Robinson: h.robinson@paget.bham.sch.uk

**Find out as much information as you can about your secondary school before you start.**

The name of the School is

____________________________________

The school address is

____________________________________

The telephone number is

____________________________________

The e-mail address is

____________________________________

The website address is

____________________________________

The name of the head teacher is____________________________________

---

**Things to think about:**
A lot will change in September, you will become more independent in your own learning. Try and find out as much information as possible. You may need to research the school you are going to. This can be by either looking on their website or ringing up the school to ask questions.

1. How will you get there?
2. What are the new timings at your secondary school? Think about start and end times, lunchtimes, break times or what days you will be in
3. What is the school motto?
4. What items will you need to buy to prepare yourself for lessons?
5. What uniform will need? Include PE kit list.
6. Are there any clothes or jewellery you are not allowed to wear?
7. Do the pupils wear a tie? Can you tie a tie?
8. Does your school have a house system? Do you have to wear different colour ties for each house?
9. Do you know anyone else who is going to your school?
10. What type of clubs or extra-curricular clubs do they have in the school?
11. Are there any other interesting facts you can find out about?

Fact or Fiction?

There may be questions you want to find out, when you come back to school. Think about the questions you want to ask and write them down below. We will try and answer as much as we can, please bring the questions with you, or email them to us if you are not returning on the 13th July 2020.

E.g If I get lost going to a lesson, what do I do?

Art

Create a piece of art to represent your memories and ideas about Paget. It must show your journey in the school, including people and opportunities you’ve had. Try and use less words and more images, so the art work can be discussed in lessons when in school. Bring the pieces of art in on your first day back.

Saying our goodbyes

As you are all aware, in the current climate, we will not be producing a leavers’ production, but we would like to say our final goodbyes in a different way. To aid this practise with your family at home create a
short message, sharing what you want to about your life at Paget. We will be making this into a video in school.

- Have a go at practising these songs at home.
Leavers’ song (up to 1:30 secs)  [https://www.youtube.com/watch?v=kzzFjDSNXPk&safe=true](https://www.youtube.com/watch?v=kzzFjDSNXPk&safe=true)
Goodbye my friend (up to 2:05 secs) [https://www.youtube.com/watch?v=svsL5O-UPeg](https://www.youtube.com/watch?v=svsL5O-UPeg)

- As you get older, a lot of things change when you remember your primary school. Sometimes the place looks different than you remember, even the teachers! Before you leave, have a think about what you would like to change about Paget Primary School or what you would like to leave behind. This could be anything from clubs, ideas of new playgrounds, games, lessons etc. Make some notes on what you would like to change or what you would like to keep and we can discuss when you are back in school.
  E.g Last year’s Year 6 came up with some new designs for the playgrounds and extra lessons or clubs, they would have liked to do.

---

### My memories

To those children who will not be attending on the 13th July, could you please complete this additional task by writing an email to us about your favourite memories whilst being at Paget.

---

### Maths catch-up

1. $7 \times 12 =$
2. $\frac{3}{4} + \frac{5}{8} =$
3. $\frac{2}{3} \text{ of } 35 =$
4. What is 25% of 450?
5. $2000 - 950 =$
6. $123 \times 15 =$
7. $2447 \text{ divided by } 12 =$
8. $\frac{3}{8} - \frac{1}{6} =$
9. $245 \times 7 =$
10. $\frac{3}{5} \times 3 =$

---

### Leaver’s Video

We will be creating a short video that will include your children. As we are not having a production this year, this is our way of saying goodbye to the children. It will available on the school website and twitter page.

If you have any issues with your child or their photograph being used please let us know by Friday 10th July 2020 either by email or ring the school office.

---

### PSHE

During the week children will be visited local police officers, who will be presenting a transitional based session around aspects of the PSHE curriculum, including gangs, social media and transition to secondary schools. The children have already been taught this during Autumn and Spring term. This is something that is normally completed in Year 7, however due to the current climate, the police are visiting children’s primary schools.
